

A DREAM TO BE ACHIEVED

the mind is not a vessel to be filled but a
fire to be kindled

WHO ARE YOU?

- Have You Think About...
 - who are you going to become?
 - what you need to do in order to achieve?

Aggression as a motivation!!

- To achieve your dream
 - a bit aggression is a **MUST**
 - the feeling of uncertainty and confusion is **Unavoidable!!!**

My own experience

- When and how did my thought of being a lawyer burgeon?
- It started with an inter-class debate competition
- New obsessions discovered

My own experience

- I have learnt...
 - More about myself
 - what I love
 - what I aim at achieving
 - my weaknesses.

What to improve?

- Ability in dealing with contingency
- Stress management skills

Advices to all

- Be determined,
- Pay great effort,
- Dream high and

**NO PAIN
NO GAIN**
