Objective of the High Flyer Scheme
Through the Teacher Mentor-Student Mentee relationship building mechanism, it is hoped that
1. students’ capability on stretching their talents and potentials could be further strengthened
2. students’ ambition to dream and to realize their dreams could be further enlarged
3. students’ sense of pride on their present and future achievements could be further enhanced

Guidelines for Teacher Mentors and Student Mentees
Working together through talking and meeting every other week, each pair of mentor and mentee is to
● plan for the way forward
● conduct a SWOT analysis of the mentee
● compile / formulate a SMART plan
● further stretch the mentee’s potentials
● bridge the gap between the mentee’s strengths and weaknesses
● identify the best possible learning strategies for the mentee
● monitor the learning progress of the mentee
● assist the mentee’s in the self-reflection process
● review the plan set and the mentee’s self-expectation
