In order to avoid unnecessary hassle in purchasing new textbooks that are not yet published, the Education Bureau will put the latest publication information of these textbooks, as well as the contact telephone numbers of the publishers concerned on the EDB homepage (<http://www.edb.gov.hk/textbook>) from mid-July to end of September for the reference of parents and students.

Relevant information will be updated every week during the said period. You may make enquiry to the publisher(s) concerned directly if the books listed on the school textbook list are not available from the market; and contact the EDB for enquiries related to the purchase of textbooks (Remarks: The EDB operates the "**Textbook Information Hotlines**" 3698 3947, 3698 3578 and 3698 4025 from 9:00 a.m. to 6 p.m., Monday to Friday, during the summer holidays. Enquirers may also send emails to textbook@edb.gov.hk

This Textbook List will be uploaded to the school homepage in mid-August for parents' reference and to enhance the transparency of the selection of textbooks. The prices quoted are for reference only. Parents and students are free to purchase textbooks from any bookstores.
